TO WHOM IT MAY CONCERN

I have been a member of the Hendra Bowls Club for 34 years and since our amalgamation with Nundah Bowls Club, we are now known as the Hendra Nundah Bowls Club Inc which, I might add, has been a huge success. My role is Greens Director, a position I have held for 25 years.

We were the second club in Australia to install the "Green Safe" canopy over both our greens. They were designed and installed by Barry Taylor and have been in operation for five years.

They are a delight to play under, not only by our own members, but visitors from many other clubs. They cut down the grass reading temperature by 10 degrees. We have a warranty of five years on the shade cloth and ten years on the construction.

We have had some little problems, but Barry Taylor has always been on the job very quickly. They are now running very smoothly.

It is, without a doubt, one of the best decisions this club ever made.

A W Howard
Greens Director

T Bawden
Chairman
